The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF AN APPROPRIATION ADJUSTMENT REGARDING PRISONER
MAINTENANCE SERVICES AT MIRA LOMA CUSTODY FACILITY
FOR THE UNITED STATES IMMIGRATION AND CUSTOMS ENFORCEMENT
(ALL DISTRICTS) (4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the attached appropriation adjustment in the amount of \$10,043,000, which finances salaries and employee benefits, 126 new budgeted positions, and services and supplies, fully offset by prisoner maintenance revenue.
2. Authorize, under the provisions of County Code Section 6.06.020 ordinance for authority for the additional 126 positions to be formally established as part of the Los Angeles County Sheriff's Department's (Department) Fiscal Year 2007-08 budget.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to augment the Department's budget to allow hiring of requested personnel and funding to implement changes to the prisoner maintenance services agreement with the United States Immigration and Customs Enforcement (ICE). Under this agreement, the Department provides housing and other services for ICE prisoners.

A Tradition of Service

Implementation of Strategic Plan Goals

This action supports three of the Los Angeles County Strategic Plan Goals. Specifically, with the support of this funding source, the Department meets Goal 1, Service Excellence; Goal 4, Fiscal Responsibility; and Goal 8, Public Safety.

FISCAL IMPACT/FINANCING

The agreement provides for a flat billing rate developed by the Auditor-Controller that fully offsets County costs. The billing rate shall be readjusted by the Auditor-Controller annually effective July 1 of each year to reflect the cost of such service in accordance with the policies and procedures for the determination of such rate as adopted by the Board of Supervisors.

An appropriation adjustment in the amount of \$10,043,000 is requested, including the financing of salaries and employee benefits of \$6,523,000 (six months funding), services and supplies of \$3,520,000, and 126 positions (see Attachment), fully offset by prisoner maintenance revenue to be received from ICE.

This appropriation adjustment has no impact on net County costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The prisoner maintenance services agreement with ICE has been in place since it was approved by your Board on January 15, 1997. In that agreement, the Department agreed to:

- Provide ICE prisoners with the same level of service and medical care required by ICE standards.
- Provide security and transportation services when directed to move ICE prisoners to medical or other facilities. ICE prisoners housed at the Mira Loma Custody Facility receive medical care and treatment from the County's High Desert Hospital. Non-routine medical services are paid for by ICE.

This agreement will remain in effect indefinitely and can be terminated by either party upon 90 days written notice.

This modification to the agreement will:

1. Replace the existing multi-tier billing rate structure with a flat billing rate per prisoner; and
2. Increase the maximum number of prisoners housed from 1,000 to 1,400.

Section 26605 of the Government Code authorizes the Department to house and secure inmates in the Department's jail facilities.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

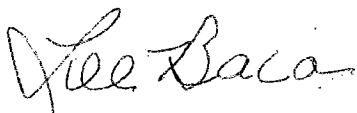

The agreement modification enhances services provided to ICE. It has no impact on services provided by the Department.

CONCLUSION

Approval of the appropriation adjustment will allow the Department to continue providing its prisoner maintenance services to ICE.
